NSFAF 2026 Application Checklist

Updated for the new Subsidised Tertiary Education Funding Model. Confirm your category before applying.

Know Your Category First

- [ ] Undergraduate first qualification (NQF 5-8) — generally eligible for 100% tuition & registration subsidy
- [ ] First primary trade at a TVET centre (NQF 1-6) — generally eligible for 100% subsidy
- [ ] Postgraduate, second qualification at same/lower level, or non-priority mature-age entry — different rules apply, check NSFAF directly

Core Documents

- [ ] Certified copy of full birth certificate
- [ ] Certified copy of Namibian ID
- [ ] Certified Grade 12 certificate(s) or statement of results
- [ ] Parental or guardian ID copies (or death certificate if applicable)
- [ ] Proof of parental/spouse income, or a declaration of unemployment from a Commissioner of Oaths

For Continuing or Vocational Students

- [ ] Proof of registration at your institution for the current academic year
- [ ] Academic transcript or proof of progression from the previous year
- [ ] Foreign qualifications: NQA evaluation letter attached

Submission

- [ ] Apply online via the official NSFAF portal during the open application window
- [ ] Ensure your cellphone number and email address are correct for SMS/email notifications
- [ ] Keep your application reference number safe

NSFAF moved to a new Subsidised Tertiary Education Funding Model for 2026. Eligibility categories, exact required documents, and application windows are set by NSFAF and the Ministry of Education and may be updated — always confirm directly at www.nsfaf.na before applying.
